Volume No. 73

1963

Foreword

This year was basically the same as any high school year; we studied, had fun, and experienced sad moments of trial and error. There were games and dances; voices were hoarse from pep club rooting and singing. There were brief moments of glory for some of us in sports, musical and dramatic productions. All shared the hopeless reality of examinations and deadlines, the semester grades, and the noon time cafeteria rush. These impressions are only a few that were packed into this full year.

In the gaiety of fall's splendor, the freshmen stepped onto the threshold of new wonders and experiences. Their first high school dance, excitement of freshman assembly, attending the bonfire, and the rush to build their first homecoming float highlight the "Frosh" year.

Winter is the time for joy and high spirits. The sophomores proved this by their participation in such activities as basketball, delving into the lines and angles of geometry, and dissecting frogs and grasshoppers. Winter has been chosen as their season of the year because of the enthusiasm they have shown.

Emphasizing the growing progress of the juniors the staff has selected spring as the magnificent season of the year, which depicts the height of achievement by this group. Opening night of the class play, election to Honor Society, and grueling practices for track meets have accented the junior year.

Summer time is really senior time, with graduation around the corner. Their high school days have been filled with cherished memories. Some they remember better than others, such as that important game they wanted so much to win, their last high school prom, the thrill of being a senior and at last the wonderful feeling of accomplishment when that coveted diploma was placed in their hand. Although senior minds were filled with dreams of the future, their hearts still ached a little as time came to bid farewell to old Harlan High.

Tomorrow when it is not so easy to think back on 1963, we will treasure the memories this book has stored for us.

This is the day you've looked for;
Day you've planned and dreamed for.
This is your dream and this your mission;
Since your birth your one ambition.
This is the day for which you've waited;
The day when you are initiated.

Dedication

On Christmas Day 66 years ago a family in Biggsville, Illinois, was overjoyed with the arrival of their baby boy. Everyone knows him as "Jamie," but his parents named him Lynn Sloan Jamison. "Jamie" graduated from Biggsville High School. He then attended Knox College at Galesburg, Illinois, where he reached his junior year. "Jamie" fulfilled his military obligation by going into the navy, where he received his training at Municiple Pier in Chicago. Five years after he first left college, he graduated from Knox College, in 1924, with a B.A. degree.

For his first teaching position he came to Harlan, where he taught history and was assistant coach, from 1924 to 1930. During this time he met his future bride, Marian Ellen Wolf from Omaha, at the Shelby County State Bank and were married October 29, 1927.

In 1930 "Jamie" went into the hardware business with T. K. Lloyd forming Lloyd and Jamison Hardware until 1936, when he decided to go back into teaching.

"Jamie" taught in the history department until 1944, at this time he became principal, and held the position for 19 years.

"Jamie" loves debating and is a great enthusiast for sports. His favorite pastimes are fishing, hunting, and reading.

He received his M.A. degree at Creighton University and has attended summer school at Laramie, Wyoming.

Of the 39 years that he has lived in Harlan, he has been with the school system 33 years.

Why do we dedicate the Harpoon to you?

Because you came through these doors at dawn, giving your life to youth—at times not a very rewarding occupation.

Because you were there when we needed you most, we give to you the most precious gift we have to offer . . . the dedication of a year of work, a year of memories.

PRINCIPAL L. S. JAMISON, we dedicate our book to you.

Paper work piles up—just ask.

Mathematics . . .

The mathematics department is growing. This year Charles Bergstrom added his resources to those of the mathematics teachers of long standing. Estella Henderson has charge of geometry and advanced mathematics. Mr. Bergstrom is preparing the freshmen for Miss Henderson with freshman algebra.

English . . .

English cultivates the mind. Fred Rhoads and Gordon Sunner keep their students on their toes as they prepare them for higher education and their future life. Besides English, Mr. Rhoads stresses that no phase of human life is more important than the very means by which one communicates—speech.

To the high school mind there comes a vague, sense of invigorating crispness which displaces the mellowness of fading summer. This feeling—a composite of renewed mental vigor, sadness, and a tingling in the blood—is the best for going back to school, marching in the band, attending the bonfire, electing school mayor, opening night of Senior Class Play, and kicking your way home through fallen leaves.

Marching band members stop in the middle of an early morning practice at the football field for a candid camera shot.

The marching band, under the supervision of director Robert Donald, drum majorette Judy Juel, and head twirler Paulette Constable, stirred enthusiasm at home football games. The seventy-seven energetic musicians marched in the Homecoming Parade and also performed at the Carroll Band Day, Dana College Homecoming Parade, and state marching band contest at Rockwell City, Iowa.

The six baton and six flag twirlers added sparkle and color to the band, both on and off the field. Paulette Constable and Georgia Lytle planned routines for their respective groups. In spite of the cold weather, the scantily clad young ladies strutted high.

At the beginning of the football season, the squad had the makings of another fine Cyclone team. The test of the season turned out to be the first three games—Red Oak, Audubon, and Carroll. The Cyclones were victorious in their first venture, but lost the second and third games to the Midwest Conference powerhouses. With the three toughest games out of the way, The Cyclones chalked up a 0-0 tie with Sac, a 13-7 defeat over Jefferson, and a near upset of Atlantic by a score of 6-7. In a game with few mental errors, and a lot of brilliant play, the Cyclones and the Tee Jay Yellowjackets ended in a 12-12 deadlock. Climaxing the season was the Denison game. A lot of enthusiasm was generated by the students and team as Denison went down in defeat 19-6, ending a 4-3-2 season for the Harlan Cyclones.

Checking and repairing equipment is just one duty of managers Floyd Henderson, Jim Oberkamper, and Tom Hansen.

Teamwork and Sportsmanship

Thirteen, traditionally an unlucky number, proved to be the magic spark in spirit and sportsmanship in the '62 football squad.

The thirteen senior guys seemed to be the nucleus around which most of Harlan's plays were formed.

Boosting the team spirit, as well as the spirit of the senior boys, were the season's co-captains, Allen Burchett, Bryce Hansen, and Glen Pedersen.

Although the band is seen just sitting here, they usually are a little more active! In addition to their several Sunday afternoon concerts, they also had an exchange concert with Audubon, gave an assembly concert, and another concert at Laurel Grade School.

Highlighting this active year was an exchange concert with Carroll's concert choir. The backbone of this group, the same as any other music group, is composed of many ensembles.

BOB BERTSCH

From the Coach . . .

In summarizing our 1962-63 season, I would like to say that even though our record wasn't as successful as all of us concerned would like to have seen it, our season still had many winning aspects.

We started the season with only one returning letterman. As the season progressed, some of the boys definitely showed signs of improvement—enough that the spectators were given many thrilling moments. Five of the games were lost by a total of 13 points. With just a couple of breaks at the right time, we could have turned those defeats into victories.

Very determined and hard-working at all times, the boys came through the season showing that the will to win always existed. Gentlemen and well-mannered, the basketball squad represented H.H.S. and the town of Harlan to their utmost.

Dell Williams

Maintaining the Conference scoreboard in our gym is but one of many duties for managers: Mike Finken, Tom Hansen, and Floyd Hendersen.

From the Sidelines

Smile . . . things could be worse???

"Boys, our first half wasn't too bad . . . but let's get in there and really FIGHT for that ball."

The game to make or break the '62 football season and the last one for the seniors ended in Harlan's 19-6 victory over Denison.

Control of the ball and fine defensive effort made the game an exciting one to the winning end.

Sports at a Glance . . .

FOOTBALL

Trying to duplicate a previous undefeated football season is a big order for any team to fill. The '62 squad proved to be "Big" enough to do a decent job throughout the season. The defense was generally good, and managed to keep within a few points of their opponents, with the exception of Audubon. The offense was a little weak, but they managed to score in most of the games. However, the defense could not contain the opponents on important downs. After playing a good first half, the team would let down long enough to permit an alert opposition to penetrate the end zone. Evidently, the Cyclones' fighting spirit did prove to be a great asset. It was the mainstay that enabled the Cyclones to take a slaughtering at the hands of Audubon, 47-6, early in the season, and end the season with a 19-6 defeat of highly rated Denison.

BASKETBALL

Seventeen games, hard-won victories and hard-to-take defeats, compile the '62-'63 basketball scoreboard. The past season completes another page in the H.H.S. cage book. The scores themselves fail to tell the complete story—a casual glance at them might lead the reader into thinking H.H.S. had a mediocre basketball team. However, Harlan had a winning team spirit. Although defeated frequently, the Cyclones were able to bounce back and still play a good four quarter game. The spirit displayed by the cagers proved that "Old Harlan High is hard to beat," and that "we're not daunted by defeat."

WRESTLING

This year the result of training over the years materialized as five seniors led the wrestling squad. This was their best season thus far posted in this major sport's short history in H.H.S. Team spirit, an essential of all competing teams, was clearly evidence by this year's wrestlers. The grapplers won six meets, lost four and placed second and fifth in the Cyclone and Audubon Invitational Wrestling Meets respectively.

The Harpoon staff has tried to capture on the following pages the fighting spirit that has typified the H.H.S. sports' squads.

Wrestling Highlights

Team spirit was the nucleus around which the "Cyclone" wrestling squad built their best season thus far recorded. Local eliminations before each meet assured the "Cyclones" of having the best men on the team represent H.H.S.

Climaxing the season was the state and district wrestling tournaments. Steve Hanson, Harold Brensel, Chuck Schnack, Bill Juhl, Jim Myrtue, and Al Burchett represented Harlan at the district action at Creston. Of these six, two remained to carry Harlan's "red and black" to the State Meet, Jim Myrtue and Al Burchett. Jim, in the 133 pound class, placed fourth in state competition. Al was defeated 3-1 in the first round of the heavyweight division.

Once a year the landscape turns to green, trees and flowers gain renewed life after winter's cold touch. Opening night of "A Date With Judy," foreign flavor of the Latin and French banquets, crowning of the Cinder Queen, formal spring concert, initiation into National Honor Society highlight the magic season of . . . SPRING.

That Jazz!

On a cold February morning in 1961, six boys assembled in the bandroom with the hope of forming a combo to play at dances and parties. From this humble beginning, the "Cyclone Swingsters" have grown from six to sixteen.

Thus far, they have attended three stage band festivals and have played for several dances. Since the band practices before school three times a week, their activities do not interfere with school work, but the enjoyment gained by its members reflects in their everyday life.

TRUMPET QUARTET: Ron Emory, John Lyon, Craig Sorenson, Barbara Scott.

The activities of the French Club have steadily increased from year to year. This year's program included the sponsoring of a movie, "Le Come de Monte Cristo," as a fund raising project. Strength of the 1963 track squad came from the underclassmen boys.

Pacing the squad were four seniors: Phillip Hansen; Bryce Hansen; Allen Burchett; and Craig Thummel.

At the District Track Meet, four Harlan cindermen earned the right to participate in the State Meet: Bryce Hansen, shot put; Bob Rogers, pole vault; Phillip Hansen, mile run; and Craig Thummel, 220 dash.

Basically a rebuilding year for the Cyclones, next year's track squad should prove to be one of SW Iowa's strongest, with 15 lettermen returning.

Mile Medley Relay team was: B. Juhl; D. Conrad; S. Paulk; and J. Oberkamper.

Two Mile Relay team was: B. Juhl; B. Fromm; T. Walker; and J. Spearing.

With the coming of summer, the temperature rises, the sun glares, but most of all it climaxes a four year career for the seniors. Among their memories of their last days at HHS are the Junior-Senior Prom, the awards banquet, picnics, sports, but most of all they remember graduation and class day. It was "Goodby, Seniors, we'll miss you," but time marches on . . . in the months of . . . SUMMER.

Ein, zwei, drei!

For a concert band to develop into a fine musical organization, it must have individuals working together in small groups to develop technique and musicianship. These, then, improve the quality of the entire instrumental department. This does not detract from the importance of the small groups in their own right, for they have shown themselves outstanding.

Minor Sports Gain

Minor sports have begun to gain more and more support from H.H.S. students. Newest on the horizon in the spring was the advent of girls' golf, the only girls sport in Harlan. In District action, the girls placed second behind Atlantic's seasoned team. This earned them the right to participate in the State Golf Meet. Boys' golf team placed sixth in District Competition.

Momentum at H.H.S.

Minor sports of cross country in the fall and baseball in the summer have proven themselves on the way to becoming major sports. Pacing the cross country team was freshman Bob Fromm who set a record time of 8:33 for the Harlan course. The baseball team proved to be one of the strongest in years with nearly ten lettermen reporting out for the sport.

FHA Promotes Interest

Always run your machines in a forward gear.

We should get a job cooking at school.

The motto of FHA is "Health, Home, and Service." To be eligible for membership, a girl must have completed one year of home economics and show an interest in improving homemaking methods. One of the highlights this year was a hayride given jointly with the FFA.

FIRST ROW: Mr. Phelps, R. Arnold, R. Rickers, R. Doonan, D. Larsen, G. Christensen, G. Klein. SECOND ROW: R. Petersen, J. Greve, H. Hess, R. Olsen, K. Owens, B. Jensen, J. Engemann, K. Sievers, C. President Doonan receives recognition.

FFA is one of the most active organizations in Harlan High. Its activities do not end with the school year, but continue all year round. Among other things, the boys visited the Omaha stock yards and helped at the Harlan pork plant.

The Girls' Recreation Association is made up of girls who enjoy participating in sports. Letters can be earned by obtaining 500 points through engaging in various athletic exercises. Eight hundred points entitles a member to a chevron; one thousand to a state pin.

Deck the Halls . . .

Mr. Jamison and Students Receive Recognition

In honor of his long years of service as Principal, a portrait of Mr. Jamison was presented to the school from the student body. The portrait is to remain in the halls of H.S.H. as a tribute to Mr. Jamison.

Halo Hall of Fame

Halo Hall of Fame, one of the most deserving honors any high school student can receive, is given on the basis of outstanding work above the ordinary in school functions. It was created mainly to give credit to those who are active behind the scenes and usually don't receive recognition for their diligent efforts. The chosen student's picture is placed on the Halo Hall of Fame bulletin board and is given a gold certificate of recognition.

This year four seniors were honored: Robert Bertsch, Jean Jurschak, Karol James and John McKeown.

Achievement Awards Banquet

Seniors received gold pins engraved with the emblem of achievement and the Juniors were given blazer emblems at the 1963 Achievement Awards Banquet. These were given to those students who had received recognition in athletics, dramatics, music, journalism, Student Council, National Honor Society, GRA, and various other clubs.

The banquet was sponsored by the Chamber of Commerce, Kiwanis, and the Lions Clubs. Donald Christensen, president of Lions, and Andrew Pokorny, president of Kiwanis, handed out the awards.

Let's eat, please.

CONGRATULATIONS, Mark!

The Harpoon costs the journalism staff $8.75 per book but through the efforts of the business staff, the Harpoon can be sold for $4. Over $1400 in ads was collected by the staff which is the reason for the reduction in price. Many schools charge $10 for a Harpoon no larger than our Harpoon and do not sell ads.

TAYLOR PUBLISHING COMPANY
"The World's Best Yearbooks Are Taylor-made"

This is the day your father's looked for;
Day your mother's sewed and cooked for.
This is their dream and this their mission;
Since your birth their one ambition.
This is the day for which they've waited;
Day when you have graduated.
